Subject: Bicycle Working Group agenda - Wednesday 21 June 2023
Attachments: Agenda - June 2023.docx

Hello Bicycle Working Group – attached is the agenda for our meeting next week on Wednesday 21 June 2023.

The June Council meeting will take place on Tuesday 20 June (evening before the BWG meeting) and the Cycling Strategy and Action Plan are recommended for adoption. Item 1 in the attached agenda involves looking at the Cycling Action Plan to provide you with information about initiatives (infrastructure and non-infrastructure) where council resources will be allocated in the short and medium term.

For the remainder of the meeting we'll look at the cycling wayfinding signage proposed for 2 routes – the Greenway and Leichhardt-Annandale. ASPECT Studios has created a suite of signs for wayfinding, walking, cycling, parks and libraries, pools, community centres, etc. Below are the 4 types of cycling signs and I'll provide a copy of this image at the meeting to work through the signage intended for the above routes.
