Darley Street, Newtown – Footpath Renewal – between Edgeware Rd and King St – both sides

Dear Resident,

Inner West Council will soon be renewing the footpath in Darley Street, Newtown.

Providing high quality footpaths, kerbs and gutters and traffic infrastructure is a key priority. Council is maintaining community assets to protect safety and accessibility for all and ensure the cost to ratepayers of any repair works is minimised through ongoing maintenance.

These works are part of the \$33.2m investment Council has allocated to local roads, footpaths, traffic facilities, town centres, stormwater, car parks, town centres and cycleway upgrades this financial year.

For more information on this project, including schedule, potential impacts and contact details, please see the reverse of this page.

Yours sincerely,

Darcy Byrne
Inner West Mayor

Darley Street, Newtown – Footpath Renewal – between Edgeware Rd and King St – both sides

- Footpath Renewal – both sides as marked

Timings and work hours

The works will commence on Monday 18 September and take approximately four (4) weeks to complete (weather permitting).

The works will take place between 7am and 5 pm, Monday to Friday (Saturday if required 8am – 4pm)

Reducing construction impacts

- Access to residents properties will be maintained throughout the works. During construction, please do not park next to or near the works in progress.
- Detours will be in place during the 4-week period for non-resident vehicles. This will have an impact to traffic flows in surrounding streets.

We appreciate your patience and co-operation while we complete these important works.

Keep up to date and enquiries
