Notice to Residents and Park Users

Birchgrove Oval stormwater drainage upgrade

Council is upgrading the stormwater drainage system in Birchgrove Oval between the field entrance at The Terrace and the outlet to Snails Bay as shown below.

Council's contractor, State Civil P/L will commence work the week of 22 November 2021 with completion expected by mid-December, weather permitting.

Works will be undertaken Monday to Friday between 7am and 5pm.

The works area will be progressively fenced off for public safety however access to the oval will be maintained at all times.
