

TREE REMOVAL NOTICE

Date	20 September 2023
Location	Corner of Edward Street and Old Canterbury Road (side of 46 Edward Street, Summer Hill)
Tree Species	3x Brush Box (<i>Lophostemon confertus</i>)
Reason for removal	To allow for establishment of temporary construction access for the GreenWay missing links project, as there is no other feasible access point available. This planned tree removal has been reviewed and consented to by Council's Tree Team.
Replacement planting	5x advanced semi-mature replacement Brush Box (<i>Lophostemon confertus</i>) trees are scheduled to be planted as part of the GreenWay design. Additional mixed native plantings will also be provided around the new trees creating increased net biodiversity.

Trees are one of our most important natural assets and Inner West Council is committed to increasing our tree canopy with new tree plantings that will improve our urban environment. To find out more visit www.innerwest.nsw.gov.au
