GLITCH A Playground of the Apocalypse

By Tortuga Studios

4 – 8pm, explore Tortuga Studios apocalyptic night playground – GLITCH. With its fractured light, warped sound and large scale installations, this multimedia event features some of Sydney's leading industrial artists with performances and live music by Gladi8tor, Christa Hughes, Grumblemorph featuring John Jacobs, Toydeath, Subway Monk, Outrageous Entertainment and Empress Stah.

It needs to be seen to be believed...

Deluge by Sair Solidair

A larger-than-life giant sculptural gush of water smashing to the earth and spreading across the land. A physical manifestation of the overwhelming state of climate emergency we have now arrived at.

12pm – Interactive Art Play and Artist Talk
