INNER WEST

## Investing in the future of Inner West Arts

Welcome to EDGE GreenWay – your space to discover arts and culture within Inner West's vibrant green corridor. Since premiering in 2019, EDGE has cemented itself as an exciting activation in Sydney's cultural calendar. Inner West Council's commitment to the small to medium creative sector, independent artists, emerging ideas, and diverse expressions of culture is showcased through EDGE.

We're inviting you behind the scenes to see the vast array of locally based arts enterprises through a rolling series of events. All the content is being produced in collaboration with local creatives.

We're excited to welcome you to explore our free program of performances, workshops, talks and installations taking place along the canal. Connect with community through this family friendly program.

I hope you enjoy the program and look forward to seeing you at EDGE GreenWay.
