CREATIVE TRAILS AND TOURS OPENING YOUR STUDIO/SPACE TO THE PUBLIC

COVID-19 SAFETY

- Council follows current recommendations of NSW Health and as such will inform you of any impacts to our services
- Up to date information can be found at the NSW Health website and the NSW Government website <https://www.nsw.gov.au/covid-19>

SAFETY CONSIDERATIONS

- Ensure that entry and exit points to studios are clearly marked
- Doorways and entry points are to be made clear of obstructions with clear access paths through the space
- Any hazardous substances are to be safely stored away from public reach
- Ensure that all doors leading to areas not for public access are shut and locked where possible
- Ensure that there are two people representing the studio in attendance at all times while visitors are present
- Machinery to be disconnected from power source when not in use
- Barriers to be set up around machinery to stop visitors getting too close or turning machinery on
- Store away any sharp implements and power tools if they pose a threat to the safety of the public
- Ensure there are no slip or trip hazards, including no liquids spilt on the floor
- Refrain from using toxic chemicals on the day including sprays such as aerosol paints or fixatives
- Store any breakable artworks behind barriers to ensure that visitors cannot knock them over
- Ensure that any valuables are stored away from the public access area, particularly laptops, money or valuable tools and materials
- Keep in mind children may visit, so protect fragile work as necessary and keep any harmful substances out of reach
- If you are concerned about any areas within your studio please set up signage warning visitors of any dangers
- If you have listed your space as accessible, ensure that the entry and pathways are appropriate for wheelchair access
