

# Construction Notification

## Wortley St, Balmain

### Stormwater drainage improvements

Inner West Council is investing \$500,000 to improve stormwater drainage on Wortley St, (between Palmer St and Davidson St) Balmain.

The works include:

- New drainage to reduce water build up outside local properties
- Upgraded kerb ramps on Wortley St and Palmer St to improve pedestrian safety and accessibility
- Reconstruction of kerbs, guttering and concrete pathway

Council will undertake road resurfacing works on Wortley St, following the completion of these drainage works.

When: 6 January to 3 March 2025 (weather permitting)

7am to 5pm, Monday to Friday

7am to 3pm, Saturday

We appreciate your patience while we complete these works.
