

To the Resident,

NIGHT WORKS

ROAD RESURFACING

**Night work on National Street and National Lane, Rozelle
between Darling and End,
Commencing Wednesday Night 8th June 2022**

Downer EDI Works - Inner West Council's contractor - will be undertaking Road Resurfacing on National Street and National Lane, Rozelle.

Work is scheduled to commence on **Wednesday night, 8th June 2022** and will take approximately **one night** to complete, weather permitting.

This new Road will be smoother, more durable and improve road safety

Due to traffic volumes on Victoria Road and Darling Street, TfNSW will only permit works to be undertaken between 7:00pm and 5:00am. Therefore, the section of road undergoing re-surfacing will be closed **Wednesday between 7:00 pm and 5:00 am**.

Traffic controllers will try to maintain access for residents at all times, however some minor inconvenience may be experienced. The street needs to be clear of vehicles while the work is occurring.

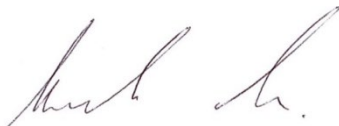

The scheduling of this work may change so you will receive a letter confirming the date a couple of days before the work commences.

Inner West Council apologies for any inconvenience this night works may cause and appreciates the patience of residents and motorists.

For any enquiries about these works, please contact Downer on 9897 4333

Alternatively, please feel free to contact Inner West Council's Project Officer, Mark Bye on 9392 5158 between 8:30 am and 4:30 pm on weekdays.

Kind regards,

A handwritten signature in black ink, appearing to read 'Mark Bye'.
