Blackmore Oval Sports Lighting Upgrade

Dear Resident,

Inner West Council will commence works to upgrade the sports lighting at Blackmore Oval, Leichhardt from October 2024.

Works are expected to be complete by the end of December 2024 (weather permitting).

Council is investing \$420,000 to bring this project to you as part of our commitment to building a healthier Inner West.

Upgrades include:

- Removal of existing floodlights
- Removal of one existing lighting pole
- Installation of new floodlights
- Associated electrical works

Works will take place between 7am to 5pm, Monday to Friday and 8am to 1pm on Saturdays.

Blackmore Oval will be open to the public during these works.

We appreciate your patience and cooperation while we complete these works.
