Opening Event GreenWay Dog Park, Lewisham West

Dear resident,

I am writing to invite you to the official opening of the new GreenWay Off-leash Dog Park in Lewisham West on Saturday 7 December 2024.

This is another exciting milestone in the \$45 million GreenWay project – a 6km active transport, sustainability and public art corridor connecting the Cooks River to Iron Cove. The GreenWay project, a partnership between Inner West Council and the NSW Government, is nearing completion and will open in mid-2025.

This new dog park is the latest part of the GreenWay to be opened. It will include a fully fenced area and natural play spaces for dogs to enjoy time off-leash, a new concrete pathway, shaded trees and a separate area for small dogs.

You will also notice there is a new wetlands area on the other side of Hudson Street, ensuring habitat creation and safe stormwater management into the future.

Greenway off leash dog park opening:

- **When:** Saturday 7 December, 10am
- **Where:** Hudson Street, Lewisham, Eastern side of Lewisham West Light Rail station
- **What:** Free BBQ and a treat for your dog

The Inner West has one of the highest concentration levels of dogs in Sydney, so investing in open spaces that dog owners can enjoy with their pets is vital to the health and wellbeing of our community.

Please take a break from your walk or cycle and bring your dog to join us at Lewisham West to celebrate this special project milestone.

Yours sincerely,

A handwritten signature in black ink that reads "Darcy Byrne". The signature is written in a cursive, flowing style.

Clr Darcy Byrne
