AKAC Australia Day Timetable 27th January 2025

Centre opens 7:00 am – 7:00 pm

AQUA CLASSES

Shallow Water Aqua – A workout in the shallow pool utilizing the water itself and the pool bottom as a resistance to increase heart/ lung fitness, muscular strength/definition, and flexibility. Aqua fitness equipment may be used to enhance these benefits. Suitable for everyone.

Deep Water Aqua—This is a great workout in deep water. Buoyancy belts may be used for floatation and back support. This is a non-impact class delivering benefits similar to Shallow Water Aqua. It is suitable for all fitness levels; however, water confidence is required.

Warm Water Aqua – Warm Water Aqua is a form of treatment conducted in a heated pool to help regain or enhance physical well-being. Exercises are a series of gentle movements performed in a pool maintained at 31 degrees to 32 degrees Celsius. Suitable for those rehabilitating injuries with arthritis or those who don't feel confident in deep water. Duration is 45 minutes.

Aqua Zumba. This high-energy aquatic workout fuses South American Zumba rhythm and dance steps with a pool party. It gives participants all the benefits of a challenging, fun, body-toning workout—in the water! Reduce stress, improve blood circulation, and tone your body with this fun and engaging session.

Warm Water Aqua Stretch. Enjoy the benefits of moving through a range of stretches targeting a variety of areas on your body surrounded by water, which offers resistance and support to your movements. This class improves flexibility, range of motion, and balance.

Adult Swim Fit—If you're looking to challenge yourself in the pool, Adult Swim Fit is for you! This one-hour structured program is great for those with a swimming background who want to be surrounded by like-minded people and keep fit in the pool.

All Gym/Swim members and Gym visit pass members can join this class, not Fitness Passport or Swim Visit Pass.

MIND-BODY

Pilates – Mind/body series of exercises performed slowly and controlled. Geared to improve posture, restore balance, align the body, and relieve muscular tension by targeting the abdominal and back muscles. Suitable for all.

Power Pilates – This class is designed to take your Pilates to the "Next Level" regarding strength, endurance, agility, and flexibility. Lengthen and strengthen your body with the ultimate Power Pilates workout. This class combines principles with the use of equipment such as pilates rings, pilates balls, or dumbbells.

Hatha Yoga – An intelligent, nurturing, non-competitive way of bringing all aspects of our lives and ourselves into balance and harmony. It has major therapeutic value and is suitable for all ages and physical conditions.

Vinyasa Yoga—Vinyasa means "breath-synchronised with movement." You move from one pose to the next with the breath leading your movement, ensuring the poses flow together smoothly and seamlessly. This style of yoga is alignment-oriented to maximize benefits and minimize the possibility of injury. It is suitable for everyone, regardless of age, strength, flexibility, or fitness levels.

Power Yoga – A fast-paced style of yoga that's focused on building strength and endurance.

Fusion Yoga – Using elements of several yoga styles and focusing on alignment, this class features poses to suit all abilities. It provides a great foundation for all yoga practice and is a great stress management tool.

Stretch – A comprehensive class to help improve your range of movement and iron out any stiffness you may have from your activities of daily life. A range of floor work is provided under the watchful eye of an instructor to help you get the most out of your stretching.

HIGH-INTENSITY CLASSES

Power Bar: This cross-training workout uses cardiovascular, bodyweight, and weighted exercises, adding variety to your routine and keeping your body guessing. It will get you sweating to a high-energy soundtrack.

Strength and Aerobics – A fun class that mixes rhythmic aerobic exercise and strength training routines using dumbbells is great for the mind and the body, improves your well-being, and puts a smile on your face as you jam to some of your favorite beats. This class is for anyone at any level.

Bootcamp—Resembling a military boot camp, this is a rigorous outdoor group fitness session where you will be pushed past your limits. Expect a combination of circuits, intervals, cardiovascular, and strength training, including boxing and sprints, in a park setting. Join us outdoors on sunny days for an invigorating session or indoors during inclement weather.

Cardio Boxing – A great class essentially working both the upper and lower body. A stimulating and effective class that burns fat and increases your fitness. A full-body workout that will keep you moving the whole time. It's a great class to relieve stress. Important note – this class occurs outdoors. Participants are encouraged to wear sunscreen, a hat, and sun-protective clothing.

Boxing—Develop fundamental techniques and strategies for boxing. Learn proper footwork, punches, and defensive maneuvers while improving your speed and agility. Whether you're a beginner or have some experience, this class will help you enhance your boxing skills and overall fitness level in a safe and supportive environment. This class occurs outdoors. Participants are encouraged to wear sunscreen, a hat, and sun-protective clothing.

Strength on the Ball is an invigorating and dynamic fitness class that harnesses the power of the Swiss Ball to deliver a full-body workout like no other. This high-energy session combines strength training exercises with the stability and challenge of the Swiss ball to target and tone your muscles from head to toe.

Zumba – take the "work" out of a workout by mixing low-intensity and high-intensity moves for an interval-style, calorie-burning dance fitness party. Once the Latin and World rhythms take over, you'll see why Zumba® Fitness classes are often called exercise in disguise. Super effective? Check. Super fun? Check and check.

SENIORS CLASSES

Strong Seniors – A combination of cardiovascular and resistance training with a balance component for those who are more able and looking for a challenge. Designed specifically for seniors to assist with bone density, balance, and increasing overall fitness levels. Some fit balls or free weights are included.

Seniors' total well-being—A unique blend of strength, aerobics, balance, and flexibility, Seniors Total Wellbeing delivers a total-body conditioning experience while maintaining a mild and achievable pace. If you want to level up from our Active Seniors program, this is the ideal class for you.

Zumba Gold—Zumba for seniors—is perfect for adults who are looking for a modified Zumba class that recreates the original moves you love at a lower intensity. This class focuses on balance, range of motion, and coordination. Come ready to sweat, and prepare to leave empowered and feeling strong. The class focuses on all elements of fitness: cardiovascular, muscular conditioning, flexibility, and balance.

MINI SESSIONS

FIT 30 - HIT—Make the most of your cardio day! From sprints to recovery, your workout will be intense yet open to all levels. Fit 30 HIT includes Bikes, rowers, and kinesis machines.

FIT 30 – Strength & Core – Training workout using body weight and weighted exercises, including dumbbells, Kinesis machines, and more. Open to all levels.

FIT 30 – Stretch & Mobility – This class will include a combination of core-specific movements and a full-body stretch to help increase flexibility and assist with recovery. Suitable for participants of all levels with exercise modifications provided.

FIT 30 - Active Seniors – A fun-filled low to moderate-intensity class for non-exercisers, people at risk of heart disease, and people returning to exercise from a cardiac event (post-rehab). This is a perfect introductory class for our Strong Seniors class or for someone wanting to get moving again.

FIT 30 – Aqua Running – A challenging but fun workout that replicates the movements we make while running but with the assistance of water in the pool. Low impact, high on strength and working the cardiovascular system
