Sydenham to Bankstown train line closure

- The T3 line from Bankstown to Sydenham closed 30 September 2024
- Closure will be for 12 months to support the conversion to Metro Standards
- The final metro line will be known as the M1 Northwest & Bankstown Line, completing the 30km alignment between Bankstown and Tallawong via the City

Sydenham to Bankstown train line closure

- Southwest Link bus services will replace trains in this period
- Southwest Link is free
- Frequency is 2-4 in peak and every 10-15min off-peak
- More information on Southwest Link bus services can be found here transportnsw.info/southwest-link

Sydenham to Bankstown train line closure

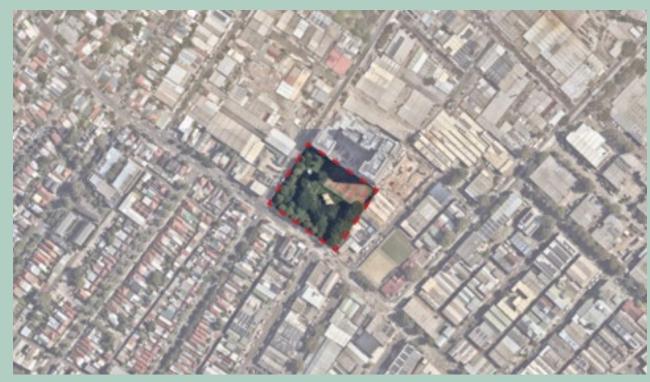

Council has worked with TfNSW to:

- Review the Temporary Transport Plan
- Provide temporary bus zones
- Support a review of temporary bus operations in Lower Railway Parade near Sydenham Station
- Implement Temporary Riding Routes
- Make improvements to the Tempe Station Car Park including bike parking and improved lighting and refreshed linemarking
- Implement the Interim East-West Pedestrian and Cyclist Link

Council has also resolved to undertake parking reviews around Tempe, St Peters and Sydenham stations.

Planning for Wicks Park

Purpose of the Plan of Management

A Plan of Management (PoM) is a legislative requirement under the Local Government Act. A PoM is principally concerned with the provision of high quality opens spaces which are welcoming, accessible, and enjoyable areas for community use and interaction.

Wicks Park is highly valued by the community and community involvement in the development of this plan is essential. Parks are provided for community use and enjoyment. Park spaces need to be well designed and take account of community needs by responding to the local context.

Community Engagement

Community engagement on the development of a Draft PoM took place over July and August 2025. On site engagement was held on 17th August 2024 with a total of 40 residents and park users attending the workshop event. A total of 32 submissions have bene received in relation to future park management and development.

A Draft Plan of Management for wicks Park will be publicly exhibited in 2025 for further community input prior to being brought back to Council for consideration and adoption.

How to have your say

Join us at a drop-in engagement session

Wicks Park, Cnr Sydenham and Victoria Roads, Marrickville on: Saturday 17 August 2.00-3.30pm

Have your say online

Scan the QR code to visit the project page where you can find out more about the project and fill in an online form.

Or go to yoursay.innerwest.nsw.gov.au Feedback closes on Sunday 25 August 2024.

Inner West Council is developing a new Plan of Management for Wicks Park

Wicks Park in Marrickville is a precious community space in the middle of a vibrant and growing neighbourhood.

It's important that we continue to protect and improve Wicks Park as a community space for gatherings, passive and active recreation for the people who live and work in Marrickville.

That's why Council is now planning for the park's next ten years and we are seeking your input.

Your feedback will guide the care and maintenance of this space now and into the future.

Dary Byrne, Inner West

Planning for Wicks Park

Marrickville Road Special Entertainment Precincts
