How to get free hot dogs
If you're going for a walk and spot a sausage dog, always take this to your advantage. Make sure the owner of the sausage dog isn't looking at it and if it doesn't have an owner, it just makes it easier! Now swiftly pick it up and take it to your house for the next part of the process.

Once you have arrived at home, order a Hot Dog 3000 online. Once it arrives, you can start the final stage of the transformation.

I put the sausage dog into the hole in the Hot Dog 3000 and watch the magic happen. Before you know it, you have received your hot dog!
