

Writing competition

Reading is magic and can transport you to amazing and curious places.

Write a short story about a wonderful and magical place.

The Fuzzy Fun

Sofia walked into the magical forest looking for her [frog/butterfly] pet Sammy. She walked across the mossy tree, the noise of the wet sloopy green gunk left her head when suddenly a rusty titanium door appeared. Walking up the crumbly stone steps got Sofia feeling like jelly. Bubbles rose and bam she went unconscious and her eyes closed shut. Opening her eyes to something so fluffy... It was her fuzzy frog butterfly pet Sammy. Sofia was so happy until she realized she was lost in a dark misty room, she wanted to go home. Tears rolled down her face when a big gust of light filled the room... She and Sammy flew up and checked it out. "Come into the light" a voice exclaimed it was Sofia's Mum to the rescue. She opened a portal to their warm cosy home. "Where're here at last" Sofia shouted with joy. The End.
