The bed transformed in the twilight hush. No longer
a haven of sleep, it becames a fantastical landscap
Its crumpled sheets had morphed into rolling, towering
mountains and soft pillows merged into deep
valleys creating a vista no one could ever turn
around on.
Books that pile on the bed was the creator of this,

Books that pile on the bed was the creator of this, having the ability to take you to a palette of places in seconds. It was the key to a different world as you immerse in magical and wonderful words
