3. How to reset your password

# Code of Conduct

## Introduction to Inner West Aquatics Parent/Guardian and Swimmers

This Code of Conduct outlines the expected behavioural standards for interactions with each other in our swimming programs.

Inner West Aquatics (IWA) provides an inclusive, welcoming, and safe environment for everyone participating in our programs. We deliver high quality Learn to Swim and Squad Programs for students that encourage healthy and Child Safe practices for all members of the swimming community.

It is the responsibility of everyone involved in swimming to be aware of our responsibilities and expectations and to help safeguard each other and young children involved in our sport.

## Safeguarding Children and young people

- Inner West Aquatic facilities have Child Safe Standards in place across all sites.
- Inner West Aquatic staff are mandatory Child Safety Reporters and have an obligation to immediately report any concerns that have been brought to their attention or that they may have witnessed firsthand.
- Inner West Aquatics staff hold a valid Working with Children Check (WWCC), have undergone a Police Check and have been vetted through Councils sound recruitment process.
- Councils 'Model Code of Conduct' sets the minimum standards of conduct for council officials. It is prescribed by regulation to assist council officials to understand and comply with the standards of conduct that are expected of them.
- Inner West Aquatics are committed to ensuring that everyone associated with Swimming Australia complies with the 'Safe Sport Framework' and takes seriously their positive obligation to educate and inform everyone involved in our Sport of each person's responsibilities to:
  - Protect and look after each other.

- Protect and look after Children or Young People, from Child Abuse and Grooming.
- Create and maintain a child-safe culture and a culture of inclusion and safety that is understood, endorsed, and put into action by all.

### **Parent/Guardian Guidelines**

- Parents/guardians (of the age of 16 yrs. or older) must accompany their child to the swimming pool, remain on the premises and be contactable by swim school staff, and actively supervise their child as per the Royal Life Saving Society's 'Keep Watch' Program guidelines.
- Learn to Swim and squad membership cards must be swiped at Customer Service upon entry to the facility.
- Parents or Guardians must not take photographs unless authorised to do so by a member of staff.
- We request Parents/Guardians refrain from approaching teachers/coaches during lesson time unless there is unreasonable doubt for concern or safety. The Wet Deck Supervisor is a member of the Swim School and is located on the pool deck during lessons, and can assist with general queries.
- We request Parents/guardians do not undress their children on the poolside and do so within the changerooms provided. Up until the age of 7 years of age, the child should be accompanied by the parent/guardian in the respective gender changing rooms of the parent. Alternatively family changerooms are available.
- Mobile phones or any other recording devices are prohibited in the changing rooms.
- Behaviour that discriminates against any other person based on gender, race, ability, colour, religion, language, politics or national or ethnic origin will not be tolerated
- Behaviour that is deemed unacceptable includes: physical intimidation or threats, swearing, shouting, pushing, inappropriate touching, spitting, racist or derogatory comments
- Patrons are expected to abide by the T&C's of entry at all Inner West Aquatic facilities.

## **Swimmer Guidelines**

- Swimmers should be punctual and arrive on time for all class and training sessions, meets and team events. Pool time is valuable, and we recommend arriving 10 minutes before your session.
- Swimmers are expected to remember that at training sessions, during swim meets, team activities and in public, they are representing Inner West Aquatics and their respective club. They should represent their association with respect, team spirit, good sportsmanship, and politeness.
- Behaviour that is deemed unacceptable includes: physical intimidation or threats, swearing, shouting, pushing, inappropriate touching, spitting, racist or derogatory comments.

## **Reporting Concerns**

Parents/Guardians are encouraged to report any Child Safety concerns to Inner West Aquatics so Council can take appropriate action. Concerns/feedback can be reported directly to the Swim School Team Leader, Squad Coach, Centre Manager or a member of staff.

Alternatively, you can make contact with the Police or Community Services.

If you are in Australia and in immediate danger or at risk of harm, call your local enforcement agency or dial triple zero (000).
