

# Babies & Toddlers

Programs to  
develop a lifelong  
love of learning.

## Programs for children ages 0-5

Our programs introduce children to literacy and numeracy, while fostering a love for books and enjoyment of the library.

Programs are 30 minutes in duration, held across Inner West Library locations during NSW public school term times.

### Book Buddies

Introduce babies and carers to the fun and enjoyment of rhythm and nursery rhymes. Suitable for ages 0-2 years.

### Storytime

Stories and rhymes to encourage a love of books and a desire to learn to read. Suitable for ages 3-5 years.

Sessions support pre-schoolers with listening and language skills, and being comfortable as part of a group, in a fun and engaging way.

### Family Tales

Family Tales introduces the enjoyment of books and rhythm in a lively weekend session.

Suitable for ages 0-5 years.
